

# WATER SAVING TIPS

**Water is life.**

Yes, the water crisis is real. We all need to make an effort to save water. These are some proven water-saving tips:

**1. Limit your shower time**

**2. Switch the water off while shaving or brushing teeth**

**3. Fix any leaks**

**4. Water your garden when the sun is down**

**5. Water your plants with recycled water**

**6. Use bathwater to flush toilets**

**7. Put a brick or plastic bottle in your toilet cistern**

**Be a Water Warrior and save water!**
